## SUPERIOR & SPACIOUS

Designed for exceptional family living, this immaculate residence is a statement in style, practicality and convenience.

With commanding street appeal and a versatile floor plan that offers the growing family abundance of accommodation, the home spans over two levels designed with five great sized bedrooms. The master suite entails a stylish ensuite and large walk-in robe.

When it comes to the kitchen, the family will always feel comfortable as it offers a light filled and open plan living / dining space, whilst entertaining is made easy under the adjoining alfresco area equipped with a built in barbeque that leads through the glass sliding doors.

The high ceilings, security alarm, ducted air conditioning, internal laundry and access to your automatic garage are just a few reasons to visit this young 1 year old modern residence.
